In most years, CREA holds a Holiday Party somewhere in the Library, in December, around the time CRS and the individual divisions hold their holiday parties. This year CREA has reserved the Montpelier Room. As in the past CREA would cater this party with a basic menu (a couple entrees, two of either vegetables, salad, rice or potatoes, and a dessert), and drinks (soft drinks, juice, coffee, and tea). Do you think you are likely to attend the CREA Holiday Party this year, if it is as described? (Please mark the answer that comes closest)

One alternative to the traditional Holiday Party is for CREA to host a Holiday Happy Hour, say from 5 to 7 (time may be flexible), at a local nearby establishment. Two or three hors d'oeuvres would be provided. A number of options would be under consideration for drinks (open bar, cash bar, or tickets good for two drinks). Drinks would include selected beer and wine, sodas, juice. Would you likely attend if CREA hosts a Holiday Happy Hour, as described? (Please mark the answer that comes closest)

Another alternative is a CREA picnic instead of a holiday event . CREA used to host picnics, at which softball and other amusements were available. A new CREA picnic could be held at some centrally located venue, such as Haynes Point or Rock Creek Park. Food and drink would have to be organized (although possibly catered). Amusements could be provided. The Picnic would presumably be held on a weekend. Family members would be welcome. Would you likely attend a CREA picnic, on a weekend day, sometime in the spring/summer/fall? (Please mark the answer that comes closest)
